

2024 TASC COURSE SCALING INFORMATION

This table provides the finalised course score range for each award for 2024.

As some fluctuation from year to year is expected, this table should **not** be used to try to predict scaling outcomes in future years.

Table Notes:

- To protect student privacy, courses that were completed by fewer than ten (10) students do not report student numbers (shown as “nr”).
- For further information about course scaling, see [Understanding the ATAR](#)
- **Min – Max:** is the range of course scores for a given award for the course.
- **Nº:** is the number of students obtaining that award for the listed course.
- Average course scores are shown, excluding NN/PA awards that do not attract a course score.
